Summary: John Phoenix gets a new job in Arstotzka! But will he do it well?

***Chapter 1*: John Phoenix Goes to Papers, Please**

John Phoenix sat comfortably in the office called the Phoenix & Co. Law Offices, a legal consultancy firm owned by him, John Phoenix. It is a business for only the greatest ace attorneys in the world.

John Phoenix turned on his giant television to watch the news.

"Lawyers no longer needed!" said the news. John Phoenix arched an eyebrow. "From now on cops will throw people in jail and they will not be questioned! Glory to Arstotzka!"

John Phoenix got angry and stomped his foot! Now how was he supposed to get paid?

John Phoenix had to get a new job.

He went to the job seeker's office and found out they were hiring immigration inspectors.

John Phoenix wasn't sure what that was but he decided to do it.

"Welcome officer," said his superior. John Phoenix didn't care to learn his name as he intended to rise to the top soon so he didn't show him any respect. "Your job is to stamp passports."

So John Phoenix did that.

A guy in a red shirt walked in!

"Hello friend! Name Jorji! I have passport! Let me in Arstotzka! The greatest country!"

John Phoenix let Jorji pass.

The next day the supervisor stormed in!

"John Phoenix what is the meaning of this!" he shouted. He held up a crudely made passport.

"That is the passport of Jorji Costava," said John Phoenix. "Why are you wasting my time with these meaningless questions?"

The supervisor's head was swelling and his face was slowly turning red. "Why did you let an illegal immigrant pass the border!"

"Because that's based," John Phoenix smirked.

"Alright I'm at the end of my rope with you, boy!"

The supervisor tried to grab John Phoenix to scold him but he jumped out of the way and stomped on his head!

"Hey, papers please!" John Phoenix shouted at one of his co-worker and they gave him some paper and he drew a crude drawing and stuck it on the walls.

"Ohhh NOW you've done it you little prick!" shouted the supervisor and he called the police on John Phoenix and they all surrounded the office.

"Give up in the name of Arstotzka!" they yelled.

EZIC appeared!

"Now's our chance to take back America!" they shouted and they all charged at the police and beat them up!

John Phoenix looked down upon the supervisor who was now steaming mad.

"NO!" shouted the supervisor and he glared at his unruly subordinate. "John Phoenix I WILL have my revenge and I will have it NOW!"

And then he stood up and tore the drawing down off the wall and ripped it apart to show John Phoenix that

disobedience will not be tolerated.

Then the supervisor's body started shaking violently and he fell on the floor!

John Phoenix struck his confident pose as the little wretch died a slow painful death.

"Good job coating that seemingly harmless paper with a deadly poison, my colleague," John Phoenix said to his co-worker who was Herlock Sholmes.

"All in a day's work," said Sholmes, because he's a chemist.

And so EZIC took over Arstotzka overthrew the government and it turned back to the regular old shitty America that oppresses and murders innocent people every day.

The End!
