***Chapter 1*: John Phoenix Turnabout Lent**

Turnabout Lent

By HoboSeven

I wrote this story because I am a dedicated Christian who prays 100 times every day and this is a very happy time for me I was thinking of giving up fanfiction writing for Lent but then I realized you guys wouldnt have defense against Jordan Phoenix so I couldnt do something so selfish so instead I gave up alcohol which is hard but I can do it because I believe Lord God Jesus Christ will help me through it Thank you for listening to my story now lets go onto the real story

It was the first of March in The United States of Japan and it was the first day of Lent Everyone was excited especially Ace Attorney John Phoenix who was a very good Christian so he had every plan in the world to do Lent He put his hand around his green coat and took off his shiny yellow badge and stared at it sadly as he threw it in the mayors sack He was the last person to give something up so the mayor closed the sack and threw it in the safe so nobody could betray God That would be bad John Phoenix walked home he had given up presenting his attorneys badge every time he met someone he went to grab it but forgot it was gone

"Its lonely without the badge" said John Phoenix sadly and he went to his bedroom and saw Uncle Phoenix was already asleep and it was late so he got into bed and went to sleep However he couldnt get his mind off that sack there was something strange about it He woke up and quietly got out of bed careful not to wake his uncle up otherwise he would cry like a baby He put on his black shoes and his green coat without his yellow badge and ran outside faster than a running person

"I have to figure out this puzzling mystery" said John Phoenix as he ran to the mayor house John Phoenix sneaked around the back and checked the back door and saw it was open so he went in Its not breaking entering if its not locked John Phoenix ran to the safe and found a note on lined paper on the door to the safe

"The code to the safe is 169" said the paper

John Phoenix opened the lock and opened the safe and saw the sack of forbidden stuff He opened it and saw to his horror that it was light and that lightness would suggest that some people didnt give anything up He got very angry when the lights turned on

"You cant break into peoples houses because thats illegal" shouted the mayor grabbing the phone

"Shit" said John Phoenix and he copied the list of people who gave up something in his green notebook and ran out the window and jumped in the bush and the police ran past him without seeing him and he ran away into the forest

John Phoenix spent the night reading the list when he figured out who didnt do Lent

There was something not on the list that should be It was doing evil things

The people of Los Japangeles who did not do Lent was Dylan Fitchar and Kuraudo Ooishi John Phoenix looked for them on Facebook and learned that they both lived in New York those fucking city people made him ugh So he grabbed a cab and went to New York

"Dont pay" said the driver

"Oh thank you"

"Do not thank me I cant take payment because your going to the police I am arresting you for breaking into the mayor of Los Angeles house so give yourself up in the name of the New York police department" said the driver

This reveal hit John Phoenix instantly and hard so he broke the window and jumped out And luckily there was a house right there so he hit it and two guys were there It was Dylan Fitchar and Kuraudo Ooishi

"You two didnt do Lent" said John Phoenix "Take That My evidence is this list"

"wat" said Ooishi

"Yes now give up fanfiction writing at least for 40 days it will save lives"

"hahahahahahaaaa" laughed Dylan "u got us but u cant arrest us"

"Yeh pal u cant mak us stop eitehr cause yoUr not a liar enymORE" said Ooishi

"Dammit" said John Phoenix and the police came to arrest him he needed to turn his thinking around

You are reading Turnabout Lent by HoboSeven and it is time for a turnabout

John Phoenix yelled "Objection" and took out his cross "You are sinners it is time to go to hell" and he threw the cross at them and they disappeared

"Murder" shouted Meekins

"No it was God"

"Okay" said Detective Meekins "Okay boys surround heaven"

"But we cant do that sir" said Gumshoe

"Damn well beat his extraterritorial rights somehow" shouted Meekins but they lost

John Phoenix went home now that he was satisfied that everyone in Los Angeles did Lent

The End
