Summary: John Phoenix has been accused of trespassing but something is amiss. Can he and Storm Sente uncover the truth behind Watson's Hospital School?

***Chapter 1*: Turnabout Interloper**

Rise and shine, good people of America! The sun had risen over the city of Los Angeles and it was time for another grand old day of John Phoenix fun!

John Phoenix sprang out of bed, brushed his teeth and did his stretches. Today would be a good day for sure!

But then the front door swung open and a policeman charged in.

"John Phoenix you're under arrest!"

John Phoenix sighed. Looks like it was going to be another one of those days...

John Phoenix was escorted by the police out of the office and his uncle Phoenix Wright tried to stop them by grabbing one of their legs and crying and screaming not to take his nephew away but they ignored him because he is stupid.

John Phoenix was taken to the airport and then a plane which then went to Ireland because he was accused of committing an international crime in Westmeath.

"Court is in session for John Phoenix's trial," said the judge.

"The defense is ready Your Honor," said John Phoenix.

"Heh," smirked Prosecutor Dylan Fitchar. "That's what you think but today's the day I destroy you!"

"Enough! Prosecutor, make your opening statement," said the judge.

"John Phoenix has been accused of trespassing. More specifically, he was spotted on the grounds belonging to Watson's Hospital School in Westmeath."

"Oh, I know that place!" said the judge. "They wanted to call it Wilson Hospital School but they had to change it so they wouldn't get sued by the Barker Conan Doyle Estate."

"The very same, Your Honor," said Dylan Fitchar. "This humble school can be found in the middle of the country, and its eternal peace was interrupted when this lowlife decided to turn it into his stomping grounds."

John Phoenix was confused.

"Why would I even want to break into this place?"

"Your motive will become apparent in due time," said Dylan with a knowing smirk. Then he called his witness.

The witness came to the stand.

"Name and occupation," said the judge.

"Ms. Spades. I'm the schoolteacher that reported the witness," said Ms. Spades.

"Why're you called Ms. Spades?" said John Phoenix.

"Cause she's about to dig your grave!" said Dylan.

===WITNESS TESTIMONY===

"I was grading papers that day when I saw the gates to the school open up."

"There was a bus coming in so I thought that was fine."

"But then somebody else came in chasing the bus. At first I thought it was a stray puppy..."

"But on closer inspection it turned out to be a person!"

"The security cameras caught him too."

"HOLD IT where's the footage?" said John Phoenix.

Ms. Spades presented the footage and it showed a middle-aged guy with a gray suit running onto the school grounds.

"Wait a second OBJECTION?" said John Phoenix. "This guy looks nothing like me!"

"Oh?" said the judge.

"Don't 'Oh?' me Your Honor! He had a completely different hair style! And he's not wearing my trademark green suit! And he's got a completely different face! There is no conceivable way this can be me!"

"OBJECTION!" shouted Dylan. "Stop being stupid John Phoenix you could've just been wearing a wig, and different clothes, and an Enoch Burke mask. That makes sense, right?"

"Um, no?" said John Phoenix. "Why couldn't it just be the actual Enoch Berk or whatever your called him instead? That'd be way simpler!"

"Tell that to Turnabout Scapegoat," said Dylan. "Regardless it's a fact that you were wearing an Enoch Burke mask and that's proven by the Enoch Burke mask we found on the school grounds!"

Dylan presented the Enoch Burke mask. Wow. It did look a lot like the guy in the footage.

"Okay but it's not like my DNA's on that thing," said John Phoenix.

But his DNA was on that thing.

"Fuck," said John Phoenix and the mask was added to the Court Record.

"One question, Mr. Fitchar," said judge. "Who exactly is this Enoch Burke you're referring to?"

"Excellent question, Mr. Your Honor," said Dylan. "Enoch Burke is the name of an infamous ex-teacher who was fired six months ago for being a deranged conservative. Since then he has continued to harass staff and students of the school probably because he is a pedophile, which led to his temporary imprisonment."

"Truest thing you've ever said but how do I come into this?" said John Phoenix.

"As we all know John Phoenix is a man of justice. He was clearly enraged at how short Burke's prison sentence was, and thus, decided to make it look like Burke was continuing his crimes so he framed him for a repeated case of trespassing."

"Yes that makes sense indeed," said the judge.

John Phoenix scowled. Surprisingly, Dylan came prepared with both evidence and a motive! He had no choice but to play dirty.

"Um, objection? That mask doesn't prove I was wearing it on the day of the crime, maybe I was dressed as Enoch Berk for Halloween then someone found the mask later and planted it on the crime scene to frame me!"

"Oh, no no no, John Phoenix," said Dylan. "It's an undoubtable fact that the man in the footage is you in an Enoch Mask and Ms. Spades will prove that right this very second!"

===WITNESS TESTIMONY===

"When Burke refused to leave the guards were called and they chased him around the school grounds. But then when they cornered him he managed to give them the slip... by flying away!"

"Wait WHAT?" said John Phoenix.

"You heard her my friend," said Dylan. "The culprit escaped by taking flight! And who is the only man in the world capable of such a feat? John Phoenix, with his psychic powers!"

John Phoenix gritted his teeth. His magical superpowers were being used against him? Curse you Dylan Fitcharrrr!

"HOLD IT!" said John Phoenix. "Maybe Ms. Spades is just lying?"

"Nope sorry!" Dylan cackled. He was enjoying this. He presented more security footage from that part of the school. "This footage shows Enoch Burke AKA John Phoenix flying away!"

John Phoenix checked the footage and sure enough the man supposed to be Enoch Burke stopped suddenly and began ascending into the sky! The police could only look up in shock and awe at this phenomenon. It's like Turnabout Big Top, except this time it's actually possible the culprit had the ability to fly.

"Wait a second..." said John Phoenix.

"Well now! I consider this trial a success!" said the judge. "I declare John Phoenix..."

"OBJECTION!" shouted John Phoenix. "Not so fast Your Honor there's a contradiction in this footage."

"No there isn't stop lying," said Dylan.

"Yes there is! Because if I was the person here and I flew away like this... then WHY WAS THE ELON MUSK I MEAN ENOCH BERK MASK FOUND ON THE SCHOOL GROUNDS?"

"GYAAAAAAAAAH!" shouted Dylan.

The court exploded in excitement. What could this contradiction mean...?

"What it means, dear narrator," said John Phoenix. "Is that the culprit here wasn't wearing a mask at all. IT WAS ENOCH BERK HIMSELF!"

To be continued...
