## **\*Chapter 1\*: John Phoenix Turnabout Guest**

John Phoenix Turnabout Guest

One day John Phoenix was in bed Then he was waken up by Uncle Phoenix

"John Phoenix get out of bed were having guests today" so John Phoenix got out of bed and brushed his teeth and put his tie on and went downstairs Phoenix was dead in the kitchen John Phoenix ran to his side and tried to get air into his mouth but he was too late He was dead

"Who is responsible for this" John Phoenix glared and then Sholmes came and Ryunosuke was arrested who was in the back yard John Phoenix decided to defend Ryunosuke even though he didnt believe him but he wanted to find the truth

"Court is in session" said the judge

"I am ready" said Prosecutor Dylan "Ryunosuke killed Phoenix with a knife this was a premeditated murder"

"Objection" shouted John Phoenix "How can it be premeditated if the knife belonged to me which means Ryunosuke didnt bring a knife Ladies and gentleman of the court if you are planning to murder someone you dont forget the weapon"

"John Phoenix you idiot use logic you inferior minded scum" said Dylan "Ryunosuke didnt bring a knife because he knew there would be knives at the crime scene because the crime scene was a kitchen"

John Phoenix was defeated so Dylan called his witness The witness was the guest they were having that day

"I was seated at the kitchen table ready to eat when Ryunosuke came and stabbed Phoenix It pierced him immediately"

"Objection" John Phoenix pointed "The murder weapon was a butter knife"

The witness was shocked and confused

"This must mean that the murder weapon was something else Something sharp enough to pierce Phoenix quickly so it had to have been Guests knife in his pocket"

Dylan was confused so John Phoenix told him that Guest was the killer and he stabbed Phoenix quickly and thats why he said Phoenix was stabbed easily because the murder weapon wasnt actually the butter knife it was the bread knife Guest brought with him to murder Uncle Phoenix

Guest got angry and asked for proof John Phoenix said that they could just test the bread knife for blood so Guest passed out and was defeated

When the police questioned him later John Phoenix found out the motive It turns out Guest wrote terrible reviews on Phoenixs fanfiction and he wanted to kill him for his bad writing

After the trial:

John Phoenix was with Phoenix who was being channeled by Maya and he was sad

"You really think I might be a bad writer"

"No Uncle" smiled John Phoenix and he said "Take that Uncle your not a bad writer look at all these stories youve written Youll be a great writer some day"

"Thanks John Phoenix" Phoenix stopped crying "Lets get burgers"

So John Phoenix and his uncle went out to eat burgers
