## **\*Chapter 1\*: John Phoenix Becomes a Grandfather's Nephew**

The year is 2066 and John Phoenix is in the hospital with his uncle, Phoenix. Phoenix's skin was wrinkled and his hair was gray. He also wears a gray suit now to add to his elderly aesthetic. John Phoenix looked the same as always.

"I can't believe Trucy had a kid and I am now a grandfather!" said Phoenix. "This is like when you were born, John Phoenix! I'm as excited as Ryunosuke will probably be when I get born! Assuming that will still happen in his timeline anyway."

John Phoenix and Uncle Phoenix went into the child room and there was a kid in the bed, it said "X Wright," because he wasn't given a first name yet.

"I think you should give the kid his name, John Phoenix," said Phoenix. He was right for thinking this and showed how wise he had become after getting old.

"Uncle are you blind?" said John Phoenix. He pointed at the sign. "He is already named. He is X Wright!"

"Oh, I'm sorry John Phoenix, my eyesight has been failing me in recent years."

John Phoenix took X in his arms, looked down at him and smiled. X was a cute baby. Cute babies are better than ugly babies.

"Welcome to the world, X Wright!"
