## **\*Chapter 1\*: New Friends and Foes**

One day John Phoenix was on a tour around Japan for his vacation because he was bored of work and decided to go visit cities in Japan. Today he was in Isezaki Ijincho and it was cool.

"I'm hungry," said John Phoenix. "Let's go get some food at a cafe!"

So John Phoenix went to Plage Cafe but there were two guys fighting outside!

The guy in the orange jacket ran at the guy in the black jacket but the second guy jumped ten feet in the air!

"Now that's *fancy*," said the orange guy and he tried to do it too but he only jumped the height a human can jump because of course he did, he's not Mario.

The orange guy crumpled to the ground and the guy in black moved to finish him but John Phoenix caught him and threw him at the other guy and they both were defeated in one fell swoop!

"I'm the winner!" said John Phoenix.

He was right. He was the winner. And as the winner, he forced the two of them to pay for his lunch.

"Why don't you guys tell me why you were fighting?" John Phoenix asked while guzzling down his food.

"Okay," said the guy in black. "I am Takayuki Yagami, I'm here in Ijincho investigating the murder of a school bully and then Kuwana here decided to beat the shit out of me for fun."

"Yes," said Kuwana. "I did indeed decide to beat him up for fun. I thoroughly enjoyed it."

John Phoenix wasn't listening. He was interested in this school bully case, so he accessed the internet in his mind and looked up details on the case.

"Very interesting," said John Phoenix. "I say we pin this on the most suspicious people in the city because it was probably them."

"Who's that, Matsun?" said Yagami.

"The Liumang?" said Kuwana.

"No who even are they? Obviously I mean RK!"

"Huh, but RK's a Kamurocho gang, they're not in Ijincho," said Yagami.

"Then who's that across the street?"

Yagami looked behind him. John Phoenix was right! Across the street, he saw the captain of RK, Daimu Akutsu and a group of thugs going into their secret base.

"Well, now! What's say we give those fools a big surprise?" said Kuwana and the three of them snuck into the base. They turned a corner and saw a guard standing in the way and John Phoenix was about to kill him but Yagami stopped him.

"Killing is wrong, let me show you how it's done."

Yagami took out a coin and tossed it around the corner and it flew over the guard's head and John Phoenix was certain he'd see through the ruse but he did not.

The coin landed behind the guard and the guard turned around and said "derrrr, what was that?" then Yagami ran up to him and choked him until he turned unconscious.

"Take a nap, bud," said Yagami who was proud of himself.

But John Phoenix did not congratulate Yagami, because his plan was stupid. Instead he told him to shut up because he heard someone talking.

John Phoenix, Yagami and Kuwana crept up to a door that had been left ajar and they all poked their heads in. Inside they saw the leader of RK, Kazuki Soma, sitting at his desk, talking to someone on the phone.

"Of course Bando I agree completely, it's obvious that Sawa-sensei poses an imminent threat to the nation so I'm going to assassinate her now. No, I won't let Yagami stop me."

Yagami's face turned pale.

"Sawa-sensei? That's a teacher at Seiryō High School!" said Yagami. "If Soma kills her, her students won't have a teacher any more so they'll all have to work at Smile Burger for the rest of their lives! We can't let that happen!"

"But Yagami, Soma just said you can't stop him! That means you can't stop him!" said Kuwana.

"He can't, but I can," said someone else. Of course! How could they have forgotten? They have JOHN PHOENIX on their side!

## **\*Chapter 2\*: Attack of RK**

After escaping from the RK secret base, John Phoenix hurried to a cab and told the driver to take him to Sawa's apartment. Yagami and Kuwana sat in the back like kids. The driver drove until he stopped at a red light.

"Hurry up! A woman's life is at stake!" said John Phoenix.

"I-I know that sir but I have to follow the rules of the road or I'll get in an accident."

"Just dodge the cars stupid!" said John Phoenix. But they didn't have time to argue so he kicked the driver out onto the street and took the wheel.

John Phoenix effortlessly weaved the car through the traffic at a hundred miles per hour. Some of the cars crashed into each other and into trees while swerving to dodge the taxi, but that's okay because the taxi didn't receive so much as a scratch thanks to John Phoenix's past experience as a taxi driver.

As they continued down the street, Yagami began thinking.

"Why would Soma want to kill Sawa?" said Yagami.

"I dunno man, the guy must be insane," said Kuwana and he took out his e-cigarette. But John Phoenix swiped it away!

"Smoking is bad for you!"

"It's just vaping man."

"Same thing!" John Phoenix pocketed the e-cig and Kuwana pouted. But he did not get to pout for long, because John Phoenix had already arrived at their destination! John Phoenix smirked to himself.

John Phoenix ran up the stairs with Yagami and Kuwana in tow. He made it up to Sawa's floor then knocked on her door and the door opened.

And then Akutsu came out and said "Surprise motherfuckers!"

He kneed Yagami in the gut then all the RK guys came out from behind him and grabbed Kuwana by all his limbs and started carrying him away!

"Unhand me right now!" Kuwana yelled and they complied because John Phoenix summoned a giant shockwave that blew them all aside! He did this by using an extract.

Kuwana ran away and Akutsu roared!

"Get off the floor and catch him you dumbasses!" Akutsu yelled before Yagami kicked him in the face. Akutsu fell over and then Yagami grabbed him by the throat.

"Why are you here?" said Yagami.

"Heh heh heh you're too late Yagafuck!" said Akutsu. "We came to lure Kuwana here, because Kuwana is-" Akutsu blacked out.

"Yagami you choked him too hard!" said John Phoenix.

"Dammit, sorry," said Yagami. "But forget about that! We've gotta go save Kuwana!"

Just then the door to the apartment opened again and Sawa looked out.

"Yagami what should we do they're gonna kill me!" said Sawa.

"No they won't, stay here and lock the door," said Yagami and he started running away but then John Phoenix punched him onto the floor then did a bounding throw for good measure.

"What a brain-dead idea. "Yes Sawa you'll be totally safe in this apartment RK just broke into!"" said John Phoenix.

"No. We are not doing that. Follow my plan instead."

---

Kazuki Soma got out of the car.

"Ha ha, I cannot wait to see Sawa-sensei's pretty corpse after I pierce her neck with my ice pick, a weapon I reserve for women because I am a feminist," said Soma.

Soma climbed the stairs and found Akutsu lying on the floor bruised and battered.

"My God Akutsu what happened?" said Soma.

"John Phoenix beat me up sir he's dangerous we should back off," Akutsu groaned.

"Nonsense. Yagami and his pack of misfits are nothing to me."

Soma approached Sawa's door, which Yagami seemed to have foolishly left slightly open, and kicked it inward.

"It's time to *die*, Sawa-sensei!" said Soma as he dancingly crossed the threshold.

But then out of nowhere a bucket fell on him and his head got stuck in it!

"Ahh ah aaaaaahhhh Akutsu where are you, get this silly thing off me!" Soma scrambled backwards out the door and fell on his ass because he could not see because there was a bucket covering his vision because John Phoenix set a clever trap by placing a bucket over the door that fell when he opened it. It was full of piss too so now Soma was smelly.

"Don't worry sir I gotcha," said Akutsu and he pulled on the bucket really hard and it came off.

But Soma's head came off too!

"Aaaaaargh John Phoenix will pay for this!" cried Soma's head as it rolled around the hall.

"Shit!" said Akutsu, then he picked up Soma's head and fled the scene!

---

John Phoenix gracefully slid down the apartment building's wall with a pipe to reach the ground, then used telekinesis to gently lower Sawa down too. Yagami also tried to grab the pipe but he missed and fell flat on his face.

"Okay we need to hide from RK, what's a good hiding place?" said John Phoenix.

"Hey, fellas, need a hand?" said a passing by old guy with a blue jacket. "If it's a hiding spot ya need I know just the place!"

The old guy took John Phoenix and friends to a bar called Survive bar and they decided to make it their hideout.

"Sure I'll help your friend survive, or my bar's not named Survive!" said the Survive bar owner.

"Thanks man," said Yagami. "Sayyy, weren't you on the news for getting murdered a few years ago?"

"No."

"Oh sorry."

John Phoenix went to the room upstairs with Yagami and Sawa to form a battle plan against RK.

But before they could do that, Yagami's phone started ringing so he answered it.

"Hey hotshot this is Watanabe speaking," said the phone. "And I'm calling to let you know that another school bully just got murdered and the suspect is Kaito!"

"OBJECTION?" shouted Yagami.

To be continued!
