## **\*Chapter 1\*: John Phoenix Turnabout Bob the Builder**

John Phoenix was on his way to work one day when suddenly an asteroid fell from the sky and crashed into his office!

"Oh no! My office!" shouted John Phoenix.

John Phoenix had to get it fixed. And there was only one man for the job.

John Phoenix went into his office and picked up the phone and dialed a number.

"Bob the Builder my office just got destroyed, can you fix it?"

"NO I CAN'T!" shouted Bob.

"What! Why not?"

"BECAUSE I'M UNDER ARREST!"

"Oh shit!"

John Phoenix ran to the detention center to meet Bob!

"Bob who's the killer?" said John Phoenix.

"I don't know," said Bob but John Phoenix doubted that he felt like Bob was protecting someone...

John Phoenix went to the crime scene to investigate. There was a bald man with a clipboard there and he was inspecting the crime scene. When he noticed John Phoenix he handed him the autopsy report.

The autopsy said the victim was hit by a heavy blunt object at 4PM yesterday.

"Don't worry I'll prove Bob innocent," said John Phoenix which is true.

"Why thank you John Phoenix I knew I could rely on you."

John Phoenix went to court.

"Court's in session for the trial of Bob," said the mayor.

"Bobby murdered a guy in a locked house! Looks like he's going to jail now. *Hahahahaha!*" said Spud the scarecrow and prosecutor.

Spud called his witness and some heavy machinery came in and they were ALIVE!

The first witness was Lofty.

"Um I-I saw the murder, the culprit was-" Lofty got scared and ran away!

Spud the scarecrow laughed at Lofty for being a coward and so did John Phoenix!

The next witness was Scoop which is another building machine.

"We were at the crime scene with Bob building a house. When we finished Bob went inside but while he was in there he MURDERED SOMEONE! Noone else went inside except him and the victim."

"HOLD IT!" shouted John Phoenix. "When did you finish building the house?"

"It was 7 o'clock."

"OBJECTION!" shouted John Phoenix. "The victim died at 4PM!"

"OH NO!" said Scoop.

"This means Bob could not have killed the victim after finishing the house so someone else did it!"

"But who?"

"The only other person at the crime scene was YOU SCOOP!" shouted John Phoenix.

Scoop was unfazed.

"In case you haven't noticed I am a giant machine, I could not have fit inside the house."

"That's okay you didn't have to," said John Phoenix. "Because Scoop, after killing the victim at 4PM, you built that house around him to make it LOOK like he was killed in a locked room but he wasn't! You're a building machine so it'd be easy for you!"

"YOU HAVE NO PROOF!" shouted Spud.

But then Lofty burst back into the court!

"The culprit was Scoop!" he shouted.

Scoop got dismantled for his crimes and Bob was declared NOT GUILTY!

"Thanks John Phoenix," said Bob.

"Don't thank me," said John Phoenix. "Thank Lofty for overcoming his fears!"

The End!
