**Summary:** A John Phoenix short mystery story.

## **\*Chapter 1\*: John Phoenix Turnabout Bus**

John Phoenix was sitting on the front seat of the bus, it was a bus with two floors but he hated sitting upstairs so he sat on the lower floor. This meant that every time someone came on they'd squeal when they see the famous John Phoenix because he was easy to spot. If he was upstairs, people downstairs wouldn't know he was there. John Phoenix is famous, that means lots of people know him.

Suddenly the bus screeched to a halt!

"Good grief!" shouted John Phoenix, who did not even jerk forward. "Bus driver you better have a good explanation for this!"

"Help help I ran someone over!" screamed the bus driver.

"WHAT!"

The bus driver opened the doors and ran outside and John Phoenix did too but when they got to the front of the bus there was nobody there.

John Phoenix rubbed his chin. Mysterious.

They got back onto the bus but when they were back on there was a corpse on John Phoenix's seat!

"John Phoenix you did it!" screamed the bus driver.

"Don't be stupid," said John Phoenix. He examined the corpse. It showed signs of being hit by a bus and also falling.

"You're going to jail bus driver," said Gumshoe.

"OBJECTION NO HE'S NOT!" said John Phoenix. "Because the culprit... IS UPSTAIRS!"

"WHAT!" shouted Gumshoe.

"What really happened was the victim was thrown out the window at the front of the bus and killed by getting hit by the bus and also the fall! But then the killer decided to frame me instead so he jumped out the window while I was getting off and took the corpse and went around the bus and got back on and left the corpse on my seat!"

"Wow and the autopsy proves it!" said Gumshoe. "Good job pal!"

John Phoenix smirked and went upstairs and Dylan Fitchar was in the front seat and he threatened everyone not to tell the police what he'd done!

"FUCK!"

Dylan Fitchar jumped out the window and ran away!

The End!
