Summary: Ryunosuke is called to meet Kazuma but little does he know that he and his friends will have to fight for his life!

***Chapter 1*: Ryunosuke Naruhodo VS Kazuma**

Ryunosuke Naruhodo yawned while he walked out of his bedroom and checked the mailbox outside his house. Inside he found one envelope that was unopened, so he tore it open with big tearing sounds and Susato scolded him for not using a sharp thing to cut it cleanly and he apologized because he was sorry.

He then took the letter out and unfolded it (because it was folded) and read it.

"Dear Ryunosuke,

Come here and face me!

From Kazuma."

Ryunosuke's heart started soaring, he had no idea Kazuma was back in Japan! So he put the letter into his pocket and went to the park to find his friend Kazuma. But where was Kazuma? That was the question. The only person he could find in the park was a middle aged man in an outdated suit.

"Um excuse me I'm looking for Kazuma," said Ryunosuke.

"Who are you?" said the man.

"I'm Ryunosuke Naruhodo."

"Ryunosuke? Ryu means dragon," said the man. "And THERE CAN ONLY BE ONE DRAGON!" he shouted and he punched Ryunosuke in the face!

"WHAT ARE YOU DOING!" shouted Ryunosuke! His nose was bleeding and he was crying.

"There's only room for one "ryu" around here and that's me Kazuma Kiryu!"

Kiryu's fist went down towards Ryunosuke's blubbing face but it was stopped by an incredible force and then he was flipped onto the ground.

"Ugh my suit!" he shouted because his suit was now muddy because there was mud on the ground which was wet because it was raining last night. He looked up at his assailant who turned out to be Susato who followed Ryunosuke here. Susato had Tossed Kiryu and she did that because he tried to kill Ryunosuke.

Kiryu grinded his teeth which he does when he's frustrated. He stood up and ran away! After he ran, Susato picked Ryunosuke up and took him to the doctor.

Kiryu ran away from his attacker. He ran for five seconds but then he got tired and had to catch his breath. He hadn't invested in himself in a long time so now his sprinting abilities were low.

"Dammit! I need to find some incredible power to defeat Ryunosuke and go back to being the one guy in the world with ryu in his name!" said Kiryu. So Kiryu went to the batting center to pass some time but Majima was there practicing his swings! Kiryu tried to blend in but there was nobody to blend in with so Majima noticed him and cracked a wide grin.

"Guess what Kiryu-chan I'm gonna KILL YOU!"

And Majima ran at Kiryu and Kiryu tried to block but Majima swung his bat and swung it again and again and AGAIN but more powerfully and he smacked Kiryu onto the floor! What he used was the devastating flurry attack that speedrunners use in Yakuza 4 and it was a force to be reckoned with!

That's when Kiryu had a revelation it was such a big revelation that he got an entirely new moveset, it only had one attack but it was all he needed! He stood up and taunted Majima to make him do the flurry attack again but this time when Majima made the first swing Kiryu dodged to the side! Majima tried to turn to face him but it was too late, he had already started the attack so now he had no choice but to keep swinging at the air while Kiryu made him escape!

"GYAAAAH FUCK YOU KIRYU-CHAAAAAAN!" screamed Majima while he kept swinging the bat around like the mad dog that he is!

Kiryu grabbed a baseball bat on the way out now he had everything he needed to kill the dragon.

Susato had taken Ryunosuke to Hotta Clinic where Ryunosuke was in bed next to a heart-rate monitor and she had called their friends Sholmes Iris and of course John Phoenix.

"There is no mistaking it these ferocious wounds he has suffered could not been caused by any man so the perpetrator must be a dragon!" Sholmes deduced.

"That is correct," said the doctor who was the former sixth chairman of the Tojo Clan Daigo Dojima who had to get a new job after the clan fell apart so he's a doctor now. "He was attacked by Kazuma Kiryu he's no man he's a dragon the Dragon of Dojima who rose from the ashes like a phoenix to be the one true dragon he calls himself that because there's a ryu in his name and also he has a dragon tattoo on his back that's what makes him the dragon and why he's going around killing people to be the only one."

"Why does there have to be only one dragon?" asked Iris but Daigo didn't know because he is stupid.

"But how did Kiryu know to target Ryunosuke?" said Susato.

"Ah I'm afraid that is my fault," said Daigo (it's always his fault) "I told Kiryu about Ryunosuke when I was suggesting lawyers to help get our family members out of jail the moment he heard his name his eyes turned murderous and set out to kill him sorry about that."

"What should we do Kiryu's going to murder Runo if we don't do something," said Iris.

"Don't worry I have a plan," said John Phoenix the smartest one in the room. "Because Kazuma Kiryu has one fatal weakness..."

He stopped talking when they heard a loud CRASH coming from the lobby! John Phoenix ran out and saw a taxi had been driven through the window and Kiryu came out of the driver's seat! He was barely bruised from the crash and his pockets were filled with baseball bats he bought from Ebisu.

"LOOK IT'S KIRYU!" shouted the police and they fired bullets at him but Kiryu had a bullet resistance charm in his pocket so the guns did nothing to him.

"You can't arrest me, I have a taxi driver license," said Kiryu and the police gasped. He took out one of his baseball bats and marched to Ryunosuke's ward. It was time to settle this at last and decide who was worthy of the title of dragon (Kiryu was worthy of the title of dragon (what the fuck does the title even mean though)). He burst into the ward and found Ryunosuke standing idly in the middle of the room.

Kiryu threw his suit off revealing his chest and his dragon tattoo and all the girls screamed at his public indecency!

"It is time to end this! RYUNOSUKEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEE!" Kiryu ran at him and swung his bat in Ryunosuke's face! And I do literally mean "in" because it phased right through his head!

"What the fuck?" said Kiryu and then he heard manic laughter behind him! He turned and saw Sholmes who had projected a hologram of Ryunosuke there in the room and Kiryu got mad and punched him! He ran outside and looked left and right.

"There!" he pointed down the hallway where he saw someone in a black school uniform and a hat that could only be one person so he readied his bat.

He ran at the figure and swung his bat again, and in that moment, time seemed to slow down! The bat made its way to the person's head... but then, like magic, the bat changed course and went over that head!

"What the fuck," thought Kiryu. As he completed his first swing, the head turned towards him and he finally saw his target's face, and he realized he had been tricked! Because that was not Ryunosuke Naruhodo... it was Ryutarō Naruhodo, AKA Susato in disguise! And Susato had a terrifying advantage over Kiryu and that was that Kazuma Kiryu is so deluded by chivalry that he is physically incapable of hitting a woman!

Kiryu swung the bat again and again but he couldn't do it he could not lay a finger or a bat anywhere on Susato's body, the laws of physics worked against him to prevent him from hurting the girl.

"Dammit I will kill you all!" shouted Kiryu, but he did not kill them all because a gunshot rang out and he hit the floor,

grabbing his chest in pain!

"No you won't do that Kiryu," said Daigo with a gun. "You would never kill anyone!"

"D-Damn it, he's right," groaned Kiryu. Blood was coming out of his chest from the gunshot wound. The charm he equipped didn't protect him from that bullet because Daigo was using a Cutscene Gun. "How could I have been outsmarted by all of you?"

"Because I planned everything," said a man in the shadows, and that man came out to reveal himself. He was John Phoenix!

John Phoenix picked up one of the baseball bats and held it over his head.

"Get out of here Kiryu! Only children believe in dragons!" said John Phoenix and he swung it at the man!

"D-Dame da neeee!" cried Kiryu as he flew away!

After that Iris took Ryunosuke out of the cupboard she hid him in and then he woke up!

His life returned to normal now that his friends had slain the Dragon of Dojima.

The End!
