Summary: A storm hits London and Storm must solve a murder!

***Chapter 1*: Storm Sente Turnabout Storm**

Lightning crashed upon the land of England! Rain came raining down and the whole place was wet.

Meanwhile Storm Sente was sitting in his office in the Sente Law Firm considering his situation. This much rain would surely discourage people from coming out to speak with him so he was less likely to get any new clients. He wanted the rain to stop.

Just then the phone started ringing so he picked it up.

"Hello, this is Sine," said Storm.

"Storm help I'm getting arrested!" said Richard!

"Curses!"

Storm jumped out the window and ran to jail. Richard was there again.

"What happened?!"

"Dunno."

Storm went to the crime scene but the police wouldn't let him in so he went home. On his way he found a bag with swimming clothes in it.

===THE NEXT DAY===

Storm was defending Richard for the murder of John Swimmer.

"Court is in session for the trial of Richard Kingsley for the murder of John Swimmer," said Justice Sullivan. "Are you lot ready?"

"Yes," said Donovan. "Richard was swimming at Damon's Sports Center when he forced John Swimmer to drown."

The witness came in.

"State your name and profession," said Donovan.

"Dylan Fitchar, handyman," said Dylan.

===TESTIMONY===

"I was looking at the swimming pool through a window outside and saw John Swimmer get drowned by Richard while swimming in the swimming pool.

"OBJECTION!" shouted Storm. He presented the bag he found. "I found this bag outside the sports center and it has John Swimmer's swimming clothes in it. Therefore... he could not have been swimming at the time he died!"

"But then what does this mean for your case?" asked Sullivan.

"It means that John Swimmer was killed BEFORE he ever made it to the sports center!" said Storm.

"What! But he drowned, how could the killer have done that without a swimming pool!" said Donovan.

Storm Sente presented the news.

"It's been raining buckets all day! What the culprit used was the rainwater that has flooded London! Right, Dylan Fitchar? After all, it was YOU who lied about where John Swimmer really died!"

"NAAAAAAAAAAAAAGH!" Dylan Fitchar ran away and Richard was declared not guilty.

===AFTER THE TRIAL===

"Thanks again Storm," said Richard.

"Yes," said a voice Storm recognized. It was the voice of John Phoenix who was there with his uncle, Phoenix Wright!
"You really are the best lawyer in London."

The end.
