**Summary:** Dylan Fitchar comes up with a plan to defeat John Phoenix in court!

## **\*Chapter 1\*: The Adventure of the Bad Testimony**

John Phoenix was at Capcom HQ talking to John Capcom.

"Hey so we're thinking of implementing a Story Mode that plays the game and solves puzzles for you," said John Capcom.

"What? No. That's for babies. Babies do NOT play The Adventures of John Phoenix! The Adventures of John Phoenix is rated T for teens!" said John Phoenix.

He threw the plans in John Capcom's face, ran home and went to sleep.

"Um, John Phoenix?" said Uncle Phoenix.

"DO NOT DISTURB ME I AM SLEEPING!" shouted John Phoenix.

"Okay, good night John Phoenix," said Phoenix. He closed the curtains, turned off the lights and left.

It was the middle of the night when there was a gunshot outside the room! John Phoenix sprang out of bed and ran to the door. He heard something moving and then something opening in the room the gunshot came from. When he got to the office, he found a woman dead and the window was open! Phoenix was arrested again.

John Phoenix went to jail.

"Why did you do it?" said John Phoenix.

"I DIDN'T!" Phoenix sobbed. "Please defend me!"

"Okay fine."

---

"Court is in sess-"

"Obviously it's in session. Shut up and move this thing along so we can leave," said John Phoenix.

The judge called the witness to the stand.

"I am Dylan Fitchar, my occupation is humble witness."

===WITNESS TESTIMONY===

"I looked through John Phoenix's office window and saw Phoenix kill the woman."

Dylan said nothing else.

John Phoenix could not get him to say anything contradictory!

"Stupid! Where is the contradiction?!" shouted John Phoenix.

"Well if there's nothing wrong then I declare Phoenix-"

"IGIARI!" shouted Ryunosuke Naruhodo. "John Phoenix I am here to help!"

"How?"

"In times like these where there's nothing we can do, we also tell ourselves one thing to get out of that situation," said Ryunosuke.

"Turn on Story Mode!" said Susato.

"You're right... thank you, my friends, your advice is as useful as always!" said John Phoenix.

"So, anyway, I'll be leaving-" said Dylan.

"OBJECTION!" shouted John Phoenix. He objected now that he turned on Story Mode so the case was being played by itself. "Not so fast Dylan! You couldn't have seen the crime through my window... BECAUSE THE CURTAINS WERE SHUT! I know this because there was a sound of something moving right before I heard the window open, that must have been the curtains which were drawn shut because it was night!"

"Well that was a bad lame stupid contradiction," said Ryunosuke.

"ANYWAY Dylan obviously saw something because he knew the victim was a woman but he couldn't have seen it from outside so the only other place he could have seen it from was INSIDE! WHEN HE KILLED THE VICTIM!"

Dylan Fitchar ran away.

---

"You did it, John Phoenix!" said Ryunosuke.

"Only with your help," said John Phoenix. "I never would have gotten past that garbage testimony without your suggestion... I guess Story Mode really is useful after all!"

The End.
