Summary: Arsène Lupin, desperate to win even once, attempts to steal from himself!

***Chapter 1*: Arsène Lupin VS Arsène Lupin**

Arsène Lupin slumped in the seat of the John Phoenix Omnibus, his new hideout that he had stolen from Beppo and the guildmaster. It was the only damn thing he managed to get away with stealing this past month, how had he been reduced to such a failure?

Lupin decided he deserved even the smallest victory, so he decided to steal something from himself.

Lupin took out a golden ring that he stole from someone a long time ago and tossed it into the air. He closed his eyes so he couldn't see where it landed.

Now Lupin must find it!

The hunt was on! Lupin searched high and low, but he could not find the golden ring.

"Maybe it's in here" said Lupin as he lifted the seat to look at the space underneath, but then suddenly the horses outside started bouncing around and the omnibus shook and Lupin fell into the space and the seat slammed shut on his ass!

"ARRRRGH MY ASS!" cried Lupin. He tried to wriggle free, but he was stuck. "CONFOUND IT ALLLLLLLLLLL!"

Epilogue

The horses spat out Lupin's ring because it landed in their mouth and started choking them, that's what lead to Lupin getting his ass smacked by the seat.

The End!
