Summary: John Phoenix goes to the real world and meets a federal prosecutor, what will happen?

***Chapter 1*: John Phoenix VS Miles Murdoch**

John Phoenix was bored of living in AA World so he opened up a portal and went to a random new world.

The portal took him and his uncle to a strange place where Ace Attorney was a work of fiction.

John Phoenix and his uncle went to the FBI's place and found a guy who looked like Raymond Shields!

"Look John Phoenix isn't that Tateyuki Shigaraki from that non-canon game?"

"Don't be stupid Uncle. We did not go to the non-canon universe. That is Miles Murdoch!"

"Yes indeedly do," said Murdoch and he took off his hat to reveal he was wearing a wig. His hair was actually short. "I am actually an OC I look just like Takayuki uh Tatayumi Tararaki? Raymond Shields. I look just like him but my hair is short. And yet I am an OC nonetheless, just like John Phoenix."

There you have it folks, if Miles Murdoch is an original character then SO IS JOHN PHOENIX!

Just then the FBI mobile started buzzing and Murdoch turned on the phone.

"FBI alert, Damara Rochelle just got murdered and Nathaniel Montclairs the suspect!"

"OBJECTION?" shouted Murdoch then he John Phoenix and Uncle Phoenix rushed to Damara's house.

"Who could have expected such a plot twist?" said Murdoch.

"Murdered with a gun," said an investigator.

"TAKE THAT!" Murdoch randomly shouted.

"Why you yelling at me fam?" said the police.

"Because the culprit is obvious. ROLAND HAS A GUN! MUST BE HIM!"

"But he's dead."

"Oh."

John Phoenix decided to question Montclair.

"Hey Montclair," said Uncle Phoenix.

"Why hello Roland, how nice to see you," said Montclair.

Phoenix started crying.

"This is worse than Dual Destinies," said Murdoch as Phoenix came slinking back crying into his hands.

"John Phoenix he doesn't know my name!"

"That's cause he's got short term memory loss and he thinks he's still stuck in the Room and Board," said Murdoch.

John Phoenix decided to take matters into his own hands.

"Montclair."

"WH-WHAT THE &%*\$, IT'S JOHN PHOENIX FROM ACE ATTORNEY!" said Montclair. "Salem has told me much about you. I presume you here to save us all from the Room and Board?"

"I already did it thank me later now tell me who killed Damara."

Montclair thought really hard.

"Why, I think... oh yes! It's coming to me! The one who killed Poppet, why... why, it was YOU!"

"WHAT?" shouted John Phoenix.

"Book him boys," said Murdoch and John Phoenix got arrested. But he'd defend himself in court!

"I can do it for you if you want John Phoenix" said his uncle.

"No."

The trial began.

"Okay Monty said John Phoenix did it and that's about all," said Murdoch the prosecutor.

"OBJECTION!" shouted John Phoenix. "Montclair think harder."

Montclair thought harder.

"Oh my mistake I was wrong."

"YAY!"

The judge declared John Phoenix not guilty. John Phoenix strikes again!

"NO!" said Murdoch. "You can't seriously get away with this deus ex machina!"

"Ahh, now I remember," said Montclair. "The culprit was actually Miles Murdoch!"

"That's impossible!" said Miles Murdoch. "I was at the FBI place at the time!"

"That's not an issue," John Phoenix smirked. "Because Damara lived next door to the FBI!"

"NOOO!"

Miles Murdoch made a mad dash out of the courtroom and the day was saved thanks to our man Nathaniel Montclair and JOOOOOOHN PHOENIIIIIIIIIIIIIIIX!

THE END! Murdoch, Montclair and other characters mentioned here are from The Torrential Turnabout by Acid Rain play it here aonline.fr/forum/viewtopic.php?t=13387
