**Summary:** John Phoenix must put out a fire or else his uncle will die! Not a big deal if he fails but he won't fail anyway!

## **\*Chapter 1\*: John Phoenix Ace Firefighter**

John Phoenix had just gotten home from his adventures at Hotel Dusk, Last Window, Rex's Hideout, Blood Edward Island and the bar and he was so tired.

"Hi John Phoenix where've you been?" said Phoenix.

"Shut up Uncle," said John Phoenix. "If you really wanted to know, you should have come with me."

"Sorry, John Phoenix."

John Phoenix got into bed and fell asleep.

"AAAAAAAAAAAAAAAAAAAAAH HELP JOHN PHOENIX!" Phoenix's cries woke John Phoenix up.

John Phoenix rolled onto his side. His uncle had probably stubbed his toe again.

Just before he could drift back to sleep, though, he smelled something peculiar - the peculiar smell of burning ash! That's when he opened his eyes and realized he was surrounded by flames!

"AHAHAHAHA!" someone laughed outside. "DAT'S FOR WHAT YE DID TO NILE, GREENFUCKAR!"

John Phoenix kicked his bedroom window and shattered the glass, then he jumped outside! Then he took his phone out.

"Fire service, get over here NOW!"

"Okay we'll be two minutes."

"That's not NOW!" said John Phoenix. "I'll put it out myself."

John Phoenix put the phone away and went to the Gateway Hotel across the street and asked for a hose.

"Ab-SO-lutely sir!" said the bellboy. "I can't wait to go down in history as the bellboy who helped John Phoenix put a fire out across the street!"

So John Phoenix and the bellboy took the hose across the street and sprayed it at the office and the fire went out!

John Phoenix went inside and found his uncle coughing and he was covered in ash but he was coughing which meant he was alive.

"Tha-tha-tha-" his uncle sputtered.

"You're welcome," said John Phoenix.

Just then, a firefighter came in through the door.

"Awm, yer not sepposed to put fires out yerself sur, dat's a job fer the pfeessionals," the ignorant firefighter tried to scold John Phoenix for his heroism. "Ah'll be goin' now."

"OBJECTION!" shouted John Phoenix. "You'll be goin' to JAIL, MR. ARSONIST!"

"WOT!"

"YES! You have a distinctive way of talking and it was the same way the arsonist talked!"

"Da-dat's jist a coincidence!" the firefighter smiled nervously but John Phoenix wasn't buying it.

"That's also why you told me not to put out fires, because you're planning to burn the house again and you think it'll stop me from putting it out! The evidence is decisive! CONFESS!"

"YAAAAAAAAAAAAH FUCK YE, JOHN PHOENIX!" the firefighter actually Nile member went to jail.

The End!
