Chapter 1: John Phoenix Goes to Blood Edward Island

John Phoenix, Kyle and Louie were on a rowboat in the middle of the sea. Kyle and Louie were paddling the oars and John Phoenix was standing at the bow with his hands behind his back looking important.

They stopped doing this when the boat docked on Blood Edward Island. So they got out and there was a little village there and kids were playing.

"Hey you there," John Phoenix pointed at a little girl with white hair. "Who's the most suspicious person in the village?"

"That'd be Edward," said the girl.

"Thank you. Also, dye your hair! White hair is for grannies."

"Okay."

John Phoenix looked at the park the kids were playing in and he noticed he could see this same park in the footage from Rex's spy camera. He looked in the direction he expected the camera to be and saw a house, and there was a window, and in that window he could see a stupid looking teddy bear that looked like Winnie the Pooh. This must be the place.

Then, John Phoenix walked away!

"Wait, John Phoenix, where are ya going man?" said Louie.

"I have a plan. Go on without me," said John Phoenix.

So Kyle and Louie went to the house and knocked on the door.

"There's nobody home," someone inside said.

"YEAH THERE IS!" shouted Kyle and he smashed his fist into the door and it broke a hole in it! The man screamed and ran upstairs, and Kyle and Louie gave chase! They ran into the bedroom where the guy had run!

"Turn around and face us, old man! We've got you cornered," said Kyle.

"Fine... if that's really what ya want, Hyde," said the man. He turned around. That was when Kyle finally recognized him.

"Ed! Is that you?"

"No, Kyle," said Ed. "You may know me as old man Ed, but in reality..."

Suddenly the bookcases spun around and an army of armed gunmen surrounded them!

"I am the leader of Nile!"

Kyle and Louie raised their arms, and Nile laughed.

"You think raising those arms will stop my men from satisfying their bloodlust? Boys, fire awa-"

Nile screamed! The boys turned around and started firing at the unidentified invader, but he dodged all the bullets and smacked the gunmen to the floor one by one!

"D-Dylan! What are you doing here?" said Kyle.

"I'M HERE FOR POOH-BEAR, THAT'S WHAT I'M DOING HERE!" shouted Dylan. He turned to Nile, who was now sitting in the corner, trembling in fear and clutching the teddy bear he stole from Dylan. "GIVE ME BACK MY POOH-BEAR OR DIE, NILE!"

Dylan pounced on Nile and grabbed the teddy bear!

"N-No, it's mine!" cried Nile. They tugged on the Winnie the Pooh plush and it went left and right and left and right and while they were fighting over it, Kyle looked under the bed and found a red box!

"This must be old man Dunning's!" said Louie.

"D-Dunning's?!" said Dylan, and while he was distracted, Nile made one final tug to reclaim his bear, but he ripped its head off in the process.

"MY FUCKING BEAR!" shouted Dylan. "MURDERER!"

Kyle and Louie ran out of the room just before Dylan blasted Nile's head off and Blood Edward Island had been stained by Ed's blood!
